

## **Q. How do I obtain a background check?**

---

You will need to come to the Dalton Police Department's Records Unit to request a background check. You will have to sign a consent form and provide a picture ID. Processing time is one day for a local background and up to three days for the state background. The charge is \$15.00 for a state check and \$15.00 for a local check, and we only accept cash.
